Steely Vented Hummingbird (L9-002) Instructions

Stitch count is 158W x 173L, using 110 colors

Finished design size (approximate):

14-count: 11.29 x 12.36 inches

16-count: 9.88 x 10.81 inches

18-count: 8.78 x 9.61 inches

22-count: 7.18 x 7.86 inches

25-count: 6.32 x 6.92 inches

Note: The fabric should be cut (at a minimum) with an additional 2-3" on each side to allow for framing. If you use 16-count fabric, for example, it should be cut to a minimum of 14" x 15".

Pattern Instructions

1. A black arrow on the top and/or left-hand side of each page indicates the center of the design.
2. The pattern chart spans 9 pages and is laid out as described by the figure that follows. Note that pages 7 and 9 contain no stitches. A hatched area in the chart defines the 3-stitch overlap area from pages to the left of and/or above the current page.

Page 1	Page 2	Page 3
Page 4	Page 5	Page 6
Page 7	Page 8	Page 9

3. Use 2 strands of embroidery floss for 14-, 16-, and 18-count fabric; use 1 strand of floss for 22-count (or higher) fabric.
